

Waltham Forest

Young People's Sexual Health

TREATMENT

If you have an urgent sexual health problem or are worried you might have been exposed to HIV, book a telephone consultation with the sexual health service at <https://alleast.nhs.uk> for advice and treatment.

STI TESTING

Chlamydia & Gonorrhoea tests are available by post from preventx.com.

CONTRACEPTION

If you need contraception such as the contraceptive pill or patch, please book a telephone consultation at <https://alleast.nhs.uk> or telephone your GP if they usually provide these.

COVID-19

Recently we've had to change our services, but young people are still able to access our services through alternative ways

EMERGENCY PILL

"the morning after pill" is available by booking a telephone consultation with All East, at some pharmacies or contact your GP by phone.

CONDOMS

available through the C-card scheme. Check the c-card app for updates and pharmacy opening times.
