Hawkswood Group – Home Visit Policy

ALL HOME VISITS CONDUCTED BY STAFF MUST BE AUTHORISED BY THE HEADTEACHER OR SAFEGUARDING LEAD.

In addition, wherever possible parents/carers/guardians (Ps/Cs/Gs) should be informed of the home visit prior to arrival, there will be exceptions to this for example a visit to confirm that an absent child is at home when Ps/Cs/Gs are not responding to telephone calls/text messages or emergency safeguarding visits.

Home Visit Definition:

A home visit is a visit that requires member(s) of staff to enter the home of a parent, carer, or guardian in the case of an emergency visit or a procedural visit.

Aims

- At the Hawkswood Group we recognise that Ps/Cs/Gs are children's first and most enduring educators and we value the contribution they make.

The aim of a home visit is:

- To establish a partnership between Ps/Cs/Gs and staff so that all parties share their knowledge about the child to enable the individual needs of the child to be met.
- To develop and strengthen relationships with Ps/Cs/Gs for the best interests of the child.

Reasons for home visits:

Home visits are important in helping the school to make contact with new or hard to reach Ps/Cs/Gs. They are particularly useful as they enable the Ps/Cs/Gs to still have contact with the school, but in their own environment. Home visits are to be used when:

- Students are refusing to come into school
- When there are attendance issues/concerns
- When students are being educated at home
- When all other means of contact with a family has failed
- To meet with Ps/Cs/Gs to discuss an issue regarding their child where it is in the best interest of the child to have that discussion in their own home rather than at school or where it would be difficult for a Ps/Cs/Gs to attend school for a meeting and information needs to be shared in a face to face meeting in a timely manner.
- To try and establish that a child is safe if they are absent from school and attempts to contact Ps/Cs/Gs have not elicited a response and we have any welfare or safeguarding concerns for the student.

- To work with and support Ps/Cs/Gs in developing strategies to help their child attend school where attendance is an issue.
- To collect from or drop a child off at home where there are concerns for a child's welfare if they travelled by other means.
- To drop off or collect work for a child when they are completing school work at home e.g. following a fixed term exclusion or medical issue.
- To visit a child who has been off school for a period of time, for example due to a medical issue, so that they do not feel isolated from school.
- To investigate situations when there are suspicions that someone may be on holiday contrary to earlier indications (for example when a child is not at school and reported as being ill during the same period for which a request for exceptional leave in term-time had been refused).

Benefits

Home visits have many benefits. For parents, carers, guardians and children, a home visit gives the opportunity to meet a key person in a setting that they are familiar and comfortable with. Other opportunities are to:

- Establish a positive contact with a key member of staff who is supporting the child.
- Meet family members that are important to the child.
- Talk about the child and their needs.

Procedures

The aim of the home visit policy procedure is to ensure good working practice and to provide guidelines in reducing risks to member of staff when undertaking home visits.

Before the Visit

- Be familiar with the school's policy and procedure for home visits.
- Be clear about the purpose of the visit. Make sure that a home visit is really necessary. (If possible and/or practical, arrange for Ps/Cs/Gs to come into the school)
- Make a written record of the purpose of the visit and the staff members involved.
- Arrange for an appropriate person to accompany you, home visits should be conducted in pairs. Clarify each person's role.
- Make sure you are well informed about the subject of the visit. Collect any necessary documentation. Check on school's policy and practice.
- Consider who you need to see, e.g. one or both Ps/Cs/Gs, with or without the child.
- Make sure you are well informed about the family and are aware of personal circumstances.
- Wherever possible make an appointment to establish a time convenient to the family and to ensure that everyone you want to see will be present. Either make a phone call or send a letter.
- Refer to the 'Home Visit Risk Assessment' (appendix 1), and inform school office staff of your intended location before departing for a home.

If appropriate the Safeguarding Lead will make a referral to social care.
- If you feel that a child/young person is in immediate danger contact emergency services 999.
- Assure P/C/G that you will treat anything they tell you sensitively and will only tell the head teacher or other appropriate staff, but may have to refer to external agencies if necessary. Explain that you may need to take notes during the meeting. Do not promise not to relay information to school. Remember that under the child protection procedures you must report disclosures or suspicions to the Designated Safeguarding Lead (DSL).

- Any Child Protection concerns arising from home visits should be discussed immediately with Designated Safeguarding Lead on arrival back.

Home Visit Risk Assessment

- It is essential that staff write a short report on every visit they make and update the Risk Assessment where appropriate (Appendix A)
